Hi Jared: Thanks for the follow-up. You may have seen that Nevada went into a special legislative session last week regarding a new economic development project in Clark County. I will do everything I can to get back to you by close of business today. I'm still waiting for some responses from the Governor.

I hope you and your family have a wonderful holiday season as well.

Dear Pam:

Thanks again for the opportunity to meet with you and the Governor last week. I really appreciate your willingness to work through the challenging issues we discussed. If you had any comments, it would be extremely valuable to receive them by the end of the day on Monday, December 21. I hope you and your family have a peaceful Holiday season.

Regards,

Jared Blumenfeld
